

You are cordially invited to our

6th Veterans Mental Health Summit

Friday August 3, 2018 12N - 4:30 PM

Marshall School of Pharmacy, Room L10 downstairs
located adjacent to the VA Medical Center campus

The Hershel Woody Williams VAMC here in Huntington WV is again reaching out and engaging community mental health providers in dialogue and conversation to explore how to best serve Veterans with mental health issues.

Topics of discussion include:

- ⇒ Suicide Prevention through Culturally Sensitive Means Assessment and Harm Reduction
- ⇒ Family Care, support and treatment for spouses of Veterans.
- ⇒ Military Sexual Trauma, the Clothesline Project
- ⇒ Reducing Stigma, Honest, Open and Proud
- ⇒ Executive Order on Whole Health, PsychArmor, other resources

Please RSVP to Charles.Weinberg@va.gov
